# NO VISITORS

## DUE TO CORONAVIRUS INFECTIONS

**Dear Patients,  
dear visitors,**

Currently there are a lot of insecurities in dealing effectively with SARS-CoV-2, the pathogen of the Coronavirusinfection (COVID-19).

**Since the Coronavirus can also be transmitted by persons, who have not had any symptoms of illness yet, we have decided to introduce an immediate, general visiting stop.**

This decision was not an easy one for us. However we have to ensure, that we minimize all risks of introducing infections from outside. It is our duty to protect our patients and staff. We are acting in accordance with the recommendations of the Robert-Koch-Institut (RKI).

In urgent situations, exceptions can be arranged in agreement with our managing staff.

**Thank you very much for your understanding and your support!**
